

## **Sancta Community Group Information**

### **What is the SCG and what is it for?**

SCG stands for *Sancta Community Group* and is an important part of Sancta Maria Catholic Primary School. It encourages the participation of all parents in the general life of our school through social events, fundraising and much more. Funds raised are used to purchase items which fall outside the educational budget but are necessary or desirable for our children's development and the general wellbeing of our school.

### **Who is in the SCG?**

We **all** are!! We are all parents, teachers and friends. We are a committee which organises fundraising and social events and we, the committee, would like to take this opportunity to invite you to join us. As children leave our school, so do their parents and we always need new volunteers to join the committee to keep the SCG viable. The SCG provides an opportunity to be involved at a time and in a way that suits you, an opportunity to become more familiar with the school and get to know other families.

### **How does the SCG raise funds?**

Throughout the year we organise fun events that bring our community together such as:

- School Discos
- Family Picnics / Quiz Night
- Sausage Sizzles /Ethnic Lunches - lunchtime and at events
- Summer Market Day
- Spellathon and Monster Raffle

### **How are the funds "raised" spent?**

100% of the money raised is used to benefit the school and students.

- Free refreshments at some school events
- Donation to school for items that will benefit the students
- Outdoor equipment e.g. shading
- Digital Technology
- Library books and other resources
- Teaching resources

### **What can you do to help?**

There are 2 ways you can help us:

- Event Helper – we always need assistance on the day of events
- Committee Member – Come along to a SCG Meetings – usually once a month and held in the school staffroom

If you believe in making a difference, enjoy having fun and love making new friends then come to our SCG get – together.

Without active SCG members the school will lose a great source of funding and fun events
