

27 August 2020

Dear Parents and Caregivers

It was a big relief to hear we are moving back to Alert Level 2 at the beginning of next week. We look forward to welcoming all our students and staff back to school on Monday morning.

Thank you to all our parents and caregivers for the support and resilience you have shown through Alert Level 3.

Strong vigilance, good hygiene practices, coupled with the hard work our health authorities are doing to identify and support any confirmed cases and their close contacts remain important to us all.

Just a reminder that while everyone is on site at Alert Level 2 next week, we must adhere to key health measures. Please support us by talking to your child about the following:

- *Good hand hygiene and cough and sneeze etiquette*
- *Keeping the appropriate physical distance from others (in class this means no touching each other and keeping a distance)*
- *Cleaning and disinfecting our high touch surfaces daily*

Parents and caregivers please note the following:

- *Stay away if sick*
- *Use the displayed QR code posters at our entrance and please make sure you have downloaded the NZ COVID Tracer App to use it if you come on site*
- *A visitor register for anyone who cannot use the app and for other visitors who come into the office.*

Please note that all parents, caregivers and visitors who come into the school grounds are required to sign in, or use the QR code for easy tracing. We know all these things will help to keep our community as safe as possible. Because of these measures, your child does not need to wear a face covering while at school. However, we will support them should they choose to do so.

For more information please go to covid19.govt.nz. We look forward to welcoming all our families and students back to school on Monday.

God will protect and bless you all.
Mā te Atua koutou katoa e tiaki, e manaaki.
